

THE SUNBEAMS

March 2011

"Value the little experiences which make up your daily life and the kind deeds that you see others do."

From Let's Bring Them Up Sensibly by Mae Carden

Thank You

Valentine parties: The teachers and children had a very festive Valentine party. Thank you to all the parents who helped make this a fun and loving holiday.

Hip Hop Hooray!

Be sure to stop by and enjoy a moment away from the sun under our new Shade Terrace in the Pre-School play yard. The children are so excited to frolic and play on the Astroturf, under their new "umbrella" outside.

Three cheers for all the support and effort of our wonderful parents that made our Hip Hop Hooray fund-raiser a success.

Beams from the Pre-School

The children have been busy learning the Carden playnames for the letters h, j, k and l. They continue to learn each letter in more depth with the share items they bring to school on Fridays.

Our new literature book is "Ask Mr. Bear," written by Marjorie Flack. The children eagerly await the adventures that Danny will have.

The children and teachers would like to express their gratitude and thanks for a delightful Valentines Day party.

We are looking forward to spring and the arts, crafts, and fun activities.

Beams from the Pre-Kindergarten and Jr. Kindergarten

February has been a busy month. We started off the month with Ground Hog's Day and found out that Spring is supposed to come early this year. Next we celebrated Chinese New Year, "Gung Hey Fat Choy!" The children really put their "hearts" into their Valentine's projects. To finish off the month we have been learning about Presidents George Washington and Abraham Lincoln.

We have started our new literature book, "Tim Tadpole and the Great Bullfrog." The children are mastering their printing skills and math concepts.

The children worked hard practicing and rehearsing for their play. They enjoyed it and gave an excellent performance for their families.

We would like to express our gratitude and thanks for a delightful Valentine's Day party. The children enjoyed the delicious food, decorating sugar cookies, and ending the party with a fun craft.

The children are looking forward to beginning the fun Spring projects.
