

THE SUNBEAM

April 2010

"Enjoy the beauty of the sky, the loveliness of the flowers,
and the charm of children."

From Let's Bring Them Up Sensibly

by Mae Carden

Lovely green grass and bright blue sky,
Playing outside and climbing so high.

Looking for a ladybug or a butterfly,
I know I can find one if I really try.

The birds are chirping and bees are humming,
Winter is over and spring is coming!

By Mrs. Love

Thank You

Mrs. Sada-Ghiani shared the Persian New Year's celebration with Miss David's class. The children enjoyed the yummy treats.

Bear Day

The children enjoyed having their furry friends join them for their day at school. They shared small bears, large bears, old bears and new, playful bears in every hue. The highlight of the day was having snack with their bear and eating the delicious teddy graham snacks.

St. Patrick's Day

Mrs. Madison brought her Irish enthusiasm and excitement to Pre-Kindergarten and Junior Kindergarten. We had a special St. Patrick's Day with a magical Leprechaun visiting our school. The children had an exciting day trying to catch him and find "the gold".

Mrs. Love and Mrs. Madison's Play

The "Little Red Hen" play was enjoyed by all. The children gave very professional performances. They were excited to perform for their families and share their class work. A Great Success! Thank you, Pre-Kindergartens and Junior Kindergarten.

Spring Camp

March 29 - April 9

If your child likes to splish "n" splash, picnic in the park, cook and watch movies then you won't want to miss signing them up for Spring Camp.

Reminders from the Parents' Primer

Going home with a friend? If your child is going home with another child for a play date, the administration requires that parents of both the visiting child and the hosting child should send notes to school. Acknowledge that both sets of parents have given their permission for the play date.

Illness, allergies, and chronic medical conditions: If your child has a green or colored nasal discharge please keep them home until it is clear. Out of consideration for your child's classmates and their families, please keep sick children at home to avoid spreading illness.
