

## THE SUNBEAMS

June 2006

"Family interests, excursions, outings, and experiences strengthen the bonds which unite a family."

- From Let's Bring Them Up Sensibly by Mae Carden

We would like to wish everyone at Carden a special fun filled summer vacation full of wonderful family memories.

This will be our final newsletter for the school year of 2005-2006. The time has passed by so quickly and we have so many wonderful memories of watching your beautiful children grow and blossom. These are the rewards of teachers.

We have so many parents to thank for a wonderful school year. The room parents have made our parties exciting and fun. All of your help which made our Hop-Skip-Jump-a-thon, Fall Festival, and Discovery Day a success for the children to have a great experience has been greatly appreciated by all. A lot of parents have contributed so much of their time and expenses for decorations, making beautiful cookies, and many other behind the scenes contributions. We Thank You all for your help and support.

The teachers also want to Thank all of the parents for their generosity and help in making each of their plays look and feel very professional with costumes and props they provided.

Again a heartfelt Thank You to Mr. Rogers for all of his help while he was visiting Nathan.

A Big Thank You to Mrs. Jbara for helping coordinate such a wonderful school year. She even kept the communication lines open from New York.
