

THE SUNBEAMS

June 2007

"Family interests, excursions, outings, and experiences strengthen the bonds which unite a family."

From Let's Bring Them Up Sensibly

by Mae Carden

We would like to wish everyone at Carden a special fun-filled summer vacation full of wonderful family memories.

This will be our final newsletter for the school year of 2006-2007. The time has passed by so quickly and we have so many wonderful memories of watching your beautiful children grow and blossom. These are the rewards of the teachers.

We have so many parents to thank for a wonderful school year. The room parents have made our parties exciting and fun. All of your help which made our Hip-Hop-Hooray, Fall Festival, Snow Day, and Discovery Day, (including Mobile Marine Lab), a success for the children to have a great experience, has been greatly appreciated by all. So many parents have contributed much of their time and expenses for decorations, and many other behind-the-scenes contributions. We **Thank You All** for your help and support.

The teachers would also like to thank the Parents' Association for our one and only (field) trip to the Civic Arts Plaza to see "If You Give a Mouse a Cookie." We all had a great time and we thank the parents for helping us keep our children safe.

Thank you to Mr. and Mrs. Helfert for our fun puppet show. Scott Land entertained the children and they were able to experience how marionettes move.

A Ventura County Sheriff Deputy brought his police car and the children enjoyed crawling through the car. Thank you to Mr. and Mrs. Grant for arranging their friend Deputy Pratt to take his day off to come to our school.

A heartfelt thank you to Mrs. Schohl for helping coordinate a wonderful school year. She is always willing to help and communicate through her e-mails and wonderful backpack notes. She has been a joy to work with this year.
