

THE SUNBEAMS

June 2009

"Family interests, excursions, outings, and experiences strengthen the bonds which unite a family."

From Let's Bring Them Up Sensibly
by Mae Carden

The teachers wish to thank each of you for giving us the opportunity to touch your child's lives. Each child holds a very special place in all of our hearts.

We would like to wish everyone at Carden a special fun-filled summer vacation full of wonderful family memories.

This will be our final newsletter for the school year of 2008-2009. The time has passed by so quickly and we have so many wonderful memories of watching your beautiful children grow and blossom. These are the rewards for the teachers.

Heart Filled Thank You!!

We have so many parents to thank for a wonderful school year. The room parents have made our parties exciting and fun. All of your help which made our Hip-Hop-Hooray, Fall Festival, and Discovery Day, which included the Mad Scientist, a success for the children to have a great experience, has been greatly appreciated by all. A lot of parents have contributed so much of their time and expenses for decorations, and many other behind-the-scenes contributions. We **Thank You All** for your help and support.

A heartfelt Thank You to Mrs. Grant for helping coordinate another school year. We feel so fortunate for her endless support, help, and consistent dedication as our Pre-School Liaison for the past two years. She has been a joy and inspiration to our teachers, parents, and children.

The Grant family has started an "early" summer family adventure in New York and will not be back to end our school year. We will miss them all and wish them a safe and happy summer.

Our New Pre-School/Pre-Kindergarten Liaison

We are very happy to announce Mrs. Tricia Berlinger will be working with us this next school year. Mrs. Berlinger has been a room parent the past two years. She has successfully chaired in several of our events. She will be contacting each of our parents and helping with our events for the next school year.
