Early Flu Season Predicted

Health officials are warning schools to prepare for an outbreak of H1N1 influenza virus ("swine flu") when students return to school this fall.

The U.S. Centers for Disease Control and Prevention has made several recommendations to schools to help decrease the spread of flu among students and staff:

- 1) Individuals with influenza-like symptoms should remain home until at least 24 hours after they are free of fever without the use of fever-reducing medications.
- 2) Students and staff who appear to have an influenza-like illness at arrival or who become ill during the day should be promptly separated from other students and sent home.

3) Students should wash their hands often with soap and water, especially after coughing or sneezing. Use alcohol-based sanitizers if soap and water are unavailable.

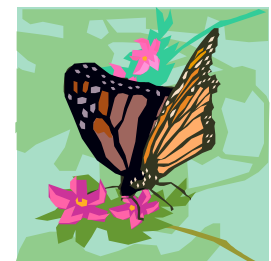

4) Cover the mouth with a tissue when coughing or sneezing and throw the tissue in the trash after use. If a tissue is not immediately available, coughing or sneezing into one's arm or sleeve (not into one's hand).

All of our classrooms and bathrooms are equipped with sinks, hand-soap, and paper towels. Teachers will help the children to learn and follow the sanitary guidelines for coughing, sneezing, and hand-washing etiquette.

We will continue to follow recommendations from local health officials, and will keep you informed.

Grades Two and Three	Tuesday, September 29
Grades Four and Five	Wednesday, September 30
Grades Six and Seven	Thursday, October 1

PLEASE NOTE

School Supplies

Please do not send your student to school with miscellaneous school supplies. The school provides all classroom supplies, textbooks, and library books. Upper grade teachers may have specific additional requirements, and will discuss those during the first days of school.

Health Forms

Families of children entering **Pre-School** and new families of children entering **Pre-Kindergarten** must complete, sign and turn in all health forms required by the California Department of Social Services, before the child’s first day of school.

Attendance

All children should be in their classes by 8:15 am. If your child is not in their classroom by 8:20 am., they are marked absent. If they arrive at this time, or after, they should go to the office first to be checked in as the attendance in all classrooms has already been taken and they will have been marked absent. If they check in at the office, the correction will be made.

The habit of being prompt is a trait that enhances one’s entire life. Help your child develop this habit. It’s a good one.

Carden is a philosophy for life as well as a method of education.

Student Drop Off and Pick Up Procedures

Drop off, pick up and parking continue to be an ongoing issue for those who reside in the neighborhood of Carden Conejo School. Since the first week of school is traditionally somewhat hectic, we would like to remind all parents to please observe the following drop off and pick up procedures.

Please begin your entry on Triunfo Canyon Road, turning onto Silver Spring, to join the line of cars waiting to enter the school driveway (please see the map for clarity.) It is customary to wait in line on Silver Spring and follow the car in front of you as directed by the security guard. As you pull into the school driveway, your child will be escorted out of the car in the morning and into the car in the afternoon. It is important that you wait for the car in front of you to pull out of the parking lot before you leave. This prevents a lot of chaos.

Any variance on this route is unsafe for the children and creates a traffic problem for other parents and community residents. Please do not park and walk your children to the school. Also, U-turns on Silver Spring are both illegal and unsafe, and left turns into the school driveway on Evenstar are not permitted.

For the safety of all children, parents and teachers, please do not use your cell-phone at any time while in the drop-off line, and until after you exit the school driveway.

Parking at School

During Assemblies and special events, Carden Conejo offers plenty of parking on the school's basketball courts. This is the preferred place to park. Please remember to drop off your child first, then re-enter the drop off line to park on the basketball courts. If you do park on the street, please do not block residents' driveways or their trash containers on trash day.
