

THE SUNDIAL

“We remember only the sunny days”

November 2009
Volume V, Issue 3

The only people who are happy are the ones who are *grateful* for all the blessings that come to them. A grateful person is at peace with himself and with the world. He smiles at the world, and the world smiles back. Gratitude does not limit. The real treasures of life come to the grateful for they know that wealth is not the goal of life, that fame has little substance, and that the inner life of each and every person is the all important facet of living.

A Visit With Mr. Joel Reed, Carden Master Teacher

On Wednesday, October 21st, we enjoyed hosting Mr. Joel Reed, Master Teacher and Headmaster of the Howard School. Mr. Reed is a captivating speaker who brings a wealth of experience and knowledge about effectively educating children. Mr. Reed described the history surrounding Miss Mae Carden's development of the Carden curriculum. He described the unique benefits of the Carden Method and answered parents' questions.

For any family that was unable to attend Mr. Reed's presentation and would like a free DVD copy, please inquire at the school office.

Holiday Cookbook

In order to raise funds for the 7th Grade field trip to Washington, D.C., the 7th Grade students will be printing and distributing a Carden cookbook for the holidays!! Please submit family recipes to be included in this special cookbook. Appetizers, entrees, desserts, and easy after-school snacks are encouraged. Please submit your entries in the box on the office counter with your family name by November 12th. Printed cookbooks will be available for purchase starting in late November.

Lockers for Middle School

Our Middle School students are required to have so many textbooks, workbooks, notebooks, and miscellaneous supplies. They requested that they be given personal lockers to keep their belongings like students at other schools. Mrs. Fleming agreed and new lockers have now been installed outside the middle school home room.
