Confidential Application for Scholarship Grant for the 2011-12 School Year

Carden Conejo School is committed to enrolling students who achieve academic success, growth in character and who demonstrate active participation in school activities. The primary responsibility for financing a child’s education rests upon the family. After a family assesses all of its resources, the School encourages them to apply for a scholarship grant to help fill the financial need.

The School grants scholarships, to currently enrolled students, on the basis of financial need, academic success, and future promise. Scholarship applications are reviewed by the Scholarship Committee in early May. The Scholarship Committee is comprised of the Head of School, the Business Manager, and the homeroom teachers. Grants are awarded without regard to sex, race, religion, or national or ethnic origin. Award decisions are announced on Friday, May 27th.

A School grants scholarships from funds made available by the School and from donations made to the “Teachers’ Scholarship Fund.”

Please be aware that funds for Scholarship Grants are very limited. We appreciate applications from those who truly need our help.
